**Names and Pronouns:** Class rosters and University data systems are provided to faculty with the student’s legal name and legal gender marker. As a student, you are able to change how your preferred/proper name shows up through various administrative records. This option is helpful for various student populations, including but not limited to: students who abbreviate their first name; students who use their middle name; international students; and transgender students. As a faculty member, I am committed to using your proper name and pronouns. We will take time during our first class together to do introduction, at which point you can share with all members of our learning community what name and pronouns you use, as you are comfortable. Additionally, if these change at any point during the semester, please let me know and we can develop a plan to share this information with others in a way that is safe for you.
